UK Computing Summit 2025: Navigating change (surviving and beyond)

Session: Pathway to Chief Scientific Advisor

Chris Johnson

Chief Scientific Adviser

Department of Science, Innovation and
Technology

Find Chris on LinkedIn [here](#)

Chris works on the safety, security and resilience of critical infrastructures. He has worked on human space flight with NASA. He served as an expert witness at the Grenfell Tower inquiry, analysing data and communications failures. He is responsible for ethics in Machine Learning for military systems with Thales. He is on the U.K. National Cyber Advisory Board chaired by the Deputy Prime Minister and helps chair the National Cyber Security Centre group on industrial control systems.
