UK Computing Summit 2025: Navigating change (surviving and beyond)

Session: Student Chapter Showcase

Mike Lowen

Computer Science Society President
University of Lincoln
Find Mike on LinkedIn [here](#)

Mike Lowen is a MSc Games Design and Development student who has been on our chapters committee for three years. Throughout his role, he has helped to rebuild our chapter in the post-COVID era and recently taken it to the next level with our current committee as President.

Mike has had a keen focus on developing people and building a community while maintaining our core values.
